

SKF Spacer kits

Elevate your fleet performance with SKF engineered commercial vehicle rebuild kit for PreSet® hubs

X-Set

Rebuild Kit for PreSet® units

Key Advantages:

- A) SKF Expert engineered for exceptional quality, performance, and reliability
- B) Engineered with high precision for optimum bearing adjustment
- C) Induction hardened Spacers with enhanced surface finishing for improved wear resistance
- D) Kit includes award-winning SKF CR Scotseal X-Treme for exceptional oil or grease retention

Choose SKF X-Set for PreSet® hub rebuild that goes beyond standard maintenance.

Engineered to meet the needs of heavy-duty technicians, fleet owners and operators. Our products are meticulously crafted to minimize labor efforts and operational downtime.

Rebuilt Kit includes: Spacer, SKF CR Scotseal X-Treme and a Gasket
